ANGSTADT TO CHAIR BOARD

The first order of business at the January Board meeting was to elect a new chairman. Paul Angstadt was elected. Good luck to Paul.

FROM THE PRESIDENT

by Kerry Koch

It was nice to have a good turn out for the January meeting. There were a lot of things to get done. As you all know, Bob Fisher Chevrolet is now the main sponsor of Skyline Drive Corvettes. The board is looking forward to working with them and they are looking forward to being associated with the club. Hopefully at the February meeting we will have a representative from Fisher's to speak to the club. I'm sure we will have a good relationship with them.

The board is looking into doing some other activities this year also. Janet Blankenbiller is chairing a committee to set up some activities. Things like one day trips, ice cream runs and other short cruises and activities. If you have an idea or would like to serve on the committee, see Janet.

The In-Vette committee is hard at work and Ted is doing a good job keeping things moving. There are going to be a few changes to the show this year and hopefully we will have another great show. Remember this show is one of our biggest projects of the year and its success depends on the help and participation of the members. Let's set a new record for attendance this year. The success of the show depends on you.

Well I'm off to sunny Florida for a few days, but will be back for the February meeting. Try to stay warm. I'll think of all of you while I'm basking in the Florida sun sipping little umbrella drinks.

CLUB APPROVES FISHER AS NEW SPONSOR

It's now official. Fisher Chevrolet is now the new club sponsor. Representatives of Fisher will be attending our meeting in the near future. Check your newsletter for details.

BOWLING, FEB 20

Let's get out of the house and have some fun during this "off" season. Anyone interested in having a little fun trying your hand at bowling can meet at Bowl-arama in Exeter on Rt. 422 at 7:00 P.M. This is open to all members and their immediate families. Open bowling rates will apply. We have 6 lanes reserved, which will accommodate a maximum of 30 people. Reservations are not needed, but please let Janet Blankenbiller know if you are interested by the February 8th general meeting to be sure we have enough lanes.

The Bowl-Grill is also open there for anyone who would like to have dinner before, during or after the bowling. See you there!!

ATLANTIC CITY BUS TRIP, FEB 27

This trip is full, but you can get on the wait list by calling Barry Goodhart at cell 484-824-5588. There usually are a few cancellations.

RAINBOW THEATER, APRIL 11

We will once again be enjoying a dinner and show at the Rainbow Dinner Theatre just off Rt30 . The show this year is "Nana's Naughty Knickers". As before we will be going to the twilight show which is dinner at 2:30 P.M. and the show at 4:00. We will be meeting at the Shillington K-Mart at 1:30 P.M. to caravan there. If you will be going directly there, please let Janet Blankenbiller know in advance so we do not wait for you. Tickets are \$44.00 per person and must be paid by the March 8th general meeting . Please give reservations to Janet Blankenbiller, and if paying by check, make check payable to Janet.

C5/C6 BASH APRIL 29-MAY 1 2010

Registration for the C-5/6 Bash, April 29 thru May 1, 2010 is now open on the NCM website under the column, events. SDC already has a nice caravan of Corvettes going to this event. If you plan to go, do not delay, because some of the activities, such as the General Jackson Riverboat Cruise, are limited in space. Check the NCM website for the complete event agenda. ALMS AT LIME ROCK, JULY 20-25

We are working on a tour in Connecticut, July 20-25 that would culminate with our attendance at the ALMS races at Lime Rock Race Track. Due to hotel accommodations, space is somewhat limited. If you have interest in this trip, please contact Jack DeLong, 212-657-4418

1956

The Corvette received a new body style, authored by Bob Cadaret, in 1956. Strange as it may seem now, designing the '56 was not a sought after assignment by Chevrolet designers. Previous Corvettes had sold poorly and dealers hated it. The logic of the day is that working on a car that people would buy was the smarter move. History would disagree, as the 1956 Corvette styling is regarded as one of the best looking cars ever.

More importantly, its destiny as Americas premier competitive sports car would take shape.

Many of the problems that plagued the 1953-55 models were addressed. The new design featured outside door handles, roll-up windows and a factory sourced hardtop was available. Power windows and a power top were options. The interior remained the same.
